## PRE-PARTY

- Schedule Party
- Pay Deposit
- Send Invitations (be sure to include waivers to be returned by parents the day of the party)
- We will call a few days before party to confirm # of children (if you do not hear from us by the Friday before the party, please give us a call. We may have your phone # wrong)
- Plan what you will bring to eat and drink. The morning parties often have bagels, coffee and donuts, while the afternoon parties might choose to have pizza & cake. Either is fine with us!
- Any special needs should be brought to our attention before the party to ensure the safety of everyone.

## DAY OF PARTY

- Arrive 15 minutes before the party. The staff will have everything set up for you.
- Bring any food, drinks and cake. Also bring a knife for your cake, candles and matches.
- Be sure all your guests bring their waivers, if not we have extras.
- 2 staff members will run the party. The first hour will be a structured party complete with warm-ups & games. They will gear the party to the age of the children.
- You will have 45 minutes for refreshments and gifts. Please be considerate of the time.
- Children may not go back into the gym without an instructor.
- **Remember there is another party immediately following yours so please be ready to leave at the appropriate time. We ask that you respect this so all our guests can enjoy their special day.**
- We ask that parents stay in the lobby area unless they have a child under 3 participating in the party. Parents of the birthday child may go into the gym to take pictures.
- At the end of the party the staff will give your balance due. *Feel free to tip our great staff.*
